About The American Corner

The American Corner established in September 2004, is a partnership between American Library, The American Center, U.S. Consulate Mumbai and Ahmedabad Management Association. It provides accurate and up-to-date information about political, economic, cultural, educational and social trends in the United States. Students, researchers, and company executives visit and use the reference materials extensively. An average of 100 persons visit the American Corner every day. The collection is updated regularly and includes English language learning resources.
