

Seminar on  
**How to Calculate Export Price**  
Thursday, April 25, 2019 - 4.00 p.m. to 8.00 p.m.

**Venue:** Torrent-AMA Management Centre, Core-AMA Management House, ATIRA Campus, Dr. Vikram Sarabhai Marg, Ahmedabad-15.

**Rationale** : It is observed that exporters having good export product and prepared to offer competitive price, either end up in loosing export order or are left with less profit while quoting price. The reason under both the circumstances is lack of knowledge on pricing methodology for export.

The concept of cost based pricing as applicable in domestic market does not apply in International Market, where prices are fixed by the buyer. Therefore with reference to export always expression **Export Pricing is used instead of Export Costing**.

**Objective** : The objective of this program is to acquaint the participants with the method of export pricing with reference to Indian Context.

**For Whom** : The program would be of use and interest to all exporters, Professionals involved with International Business as well as aspiring exporters.

**Contents** :
