Workshop on
**Export Opportunities in
FORGING & CASTING**

Friday, August 18, 2017 • 10.00 am to 12.30 pm

Venue: AMA Complex, Dr. Vikram Sarabhai Marg, ATIRA Campus, Ahmedabad 380 015

India possesses the third largest forging & casting industry in the world, after China and United States rising from 6th position in 2011.

Forging & casting industry products are extensively employed in the automotive, aerospace, defence, factory automation, and industrial equipment sectors. Of this, the automotive sector consumes about 50 per cent of the total castings production, while the engineering industry accounts for 30 per cent and the construction industry 10 per cent.

The export figures are also showing a healthy trend. The exports have been growing at the rate of 25-30 % per annum. Direct exports from India of castings are approximately USD 2.2 billion & another USD 2 billion of finished products and sub-assemblies made of cast parts. This reveals that there is ample scope for the Foundry Industry in India to improve its market share globally.

This workshop will provide an overview of global export and investment scenario as well as throw light on trends which continue to change the dynamics of manufacturing and markets.

The Workshop will be conducted by **Mr. Suhayl Abidi**, Advisor, GoG-AMA Centre of International Trade and Editor, Foreign Trade Update.

Inauguration by: **Dr. Ing. P N Bhagwati**, Chairman, Bhagwati Spherocast Pvt. Ltd. and Bhagwati Autocast Ltd. & Founder, Center For Foundry Education and Research, Ahmedabad.

Kndly register through email giving name of person, name and address of organization, phone number & mobile number before 12th August 2017. A report on this topic will be distributed to participant.

No Fee for Registration. However, Please send your registration indicating name of the participant/s, contact details, namely, address, e-mail and phone number to: Ahmedabad Management Association; ATIRA Campus, Dr. Vikram Sarabhai Marg, Ahmedabad-380 015
Phone : 079-26308601-2-3-4-5 Mobile: 9537407187, 7069940917, 7203030990
