

Diploma programme on Shipping and Logistics

(BATCH-22) 5 Sundays, 9.30 a.m. to 5.00 p.m.
December 9, 16, 23, 30, 2018 and January 6, 2019

at Torrent-AMA Management Centre, Core-AMA Management House, ATIRA Campus, AHMEDABAD.

Shipping and Logistics play an important role in international trade which involves managing and transferring the goods from the place of their origin to the place of their consumption. This includes material handling, warehousing, packaging, transportation, shipping security, inventory, supply chain, procurement and customs. Shipping and Logistics, part of the supply chain, is an essential component of supply chain and value chain for any successful business.

This programme would be useful for anyone who seeks to understand the process of Shipping and Logistics in the light of emerging International Trade.
