AGENDA FOR RESEARCH FORUM:

1. Understand and help present queries' of Doctoral Students.
2. Guide Lines to build effective Research Proposal.
3. Q. & A.

Who Should Attend? – AMA Research Forum is for all Researchers and PhD students, Post Doctorate and students aspiring for PhD are welcome.

BENEFITS

- 1) **Professional Exposure:** By participating in the Research Forums, young researchers expose themselves to all facets of scientific professional life. The forums provide an opportunity for presenting research projects/dissertations, receiving constructive feedback
- 2) **Innovative Publications:** Best papers of the Research. Forums can be considered for the official publications.
- 3) **Benchmarking Activities:** Research Forums represent benchmarking opportunities for researchers by providing a unique platform to learn about popular/unpopular topics, research methods and professional approaches.
- 4) **Networking Opportunities:** Research forums are venues of interaction not only for the participating researchers and academics but for corporate and governmental representatives as well.
