It is common knowledge that French is one of the most widely spoken languages in the world. If we were to elaborate on the status of French as a foreign language, we could write pages, perhaps entire books. But to put it in a nutshell, not only is French one of Europe's and the world's most important languages, it is also growing in strength and stature with every passing day. Present on six of the world's seven continents, a vital medium of communication in several European and African nations, the second official language of Canada, the voice of one of the world's leading economies, and omnipresent in the sectors of fashion and gastronomy among others – these are just a few reasons why French is an invaluable addition to your CV. It is a one-time investment that stands to reward you with lifelong returns.

The teaching methodology employed at AMA includes the following:

- A non-theoretical, fully communicative approach to language learning
- No dependence on translation – STUDENTS SPEAK IN FRENCH FROM DAY ONE
- Basics of grammar and structure explained in the simplest of ways
- Special focus on perfecting the French accent and pronunciation
- Examples and more examples – till every student has fully understood every concept
- Textbooks as well as additional handouts provided
- Regular role play and interactive group activities
- Evaluation and personal assessment of each student, after every exercise

After level A1.1, we also offer A1.2 level.

After having attended the A1.2 session, students are eligible to appear for the global DELF A1 examination conducted by the French Embassy in India and worldwide.

If the students so desire, advanced batches in French (level A2 and onwards) can be organized on request.

French, as a language, is as beautiful as France itself. It is fluid and lyrical, sensuous and utterly mesmerizing. Combined with our constantly evolving and self-upgrading pedagogy, learning this language becomes a memorable affair. So, if learning French has been on your mind for a while, hop on board right away. Bienvenue/Welcome!
