(For Importers and Exporters)
Saturday, June 16, 2018 • 9.30 a.m. to 5.00 p.m.

Venue : Torrent-AMA Management Centre, Core-AMA Management House,
AMA Complex, Dr. Vikram Sarabhai Marg, Ahmedabad 380 015

Traders and manufacturers engaged in international business of import and export have to deal with Letter of Credit (referred to as L/C) as a means of securing payment. Various documents like Bill of Lading, Certificate of Origin and Insurance Policy are called for under L/C. Unless the exporter submits the documents properly and strictly in conformity with the L/C obtaining payment will become difficult.

As L/C is issued subject to a set of rules called UCPDC (Uniform Customs and Practices for Documentary Credit) comprehensive understanding of various Articles under UCPDC becomes essential for importers and exporters who deal with L/C. Similarly they must be aware of International Standard Banking Practices (called ISBP). The bankers who deal with L/C need to have comprehensive knowledge of these Rules.

In order to enable the importers and exporters to understand the concept and mechanism of L/C and precautions to be taken by them while dealing with L/C this program “LETTER OF CREDIT and UCPDC” has been designed with simple and easy explanation of concepts and their practical application by bankers and customers.
