'As we look into the new century, leaders will be those who empower others' ■ Bill Gates

Preamble : The world is moving from a primarily vertical command and control model to an increasingly horizontal connect and collaborate model. In today's competitive business world, cooperative team work is more essential than ever before. It is the solid foundation on which companies and careers are built and a crucial component of lasting success.

In the new millennium, developing a collaborative style of management is the urgent priority for all progressive organizations. Because it gives one the ability to overcome organizational hurdles, to create an energetic department and a team that produces better business results. An effective manager must have the capability to motivate their staff, delegate work, evaluate, resolve conflict and produce excellent results.

Objective : To enable the participants to develop and strengthen leadership skills to bring out the strongest talents from their colleagues.

- Contents** : The topics of deliberation are:
- Collaboration – the new paradigm
 - Leadership skills for Managers
 - Togetherness for success - the synergy effect
 - Working together as a Team
 - Dynamics of Delegation

"Coming together is a beginning Keeping together is progress Working together is success" - Henry Ford

Mode of delivery : The workshop will be interactive and consists of lecturettes, ppt. presentations, learning activities, discussions and presentations by the participants.

Faculty : **Prof.Thomas Oommen**, *HR Consultant & Corporate Trainer*. He had been a University teacher for 28 years in India and Libya.

Fee : Rs.1600/- per participant inclusive of Service Tax. Concession for Member 10%, Patron Member 20%. Fee includes course fee, cost of reading material, lunch & refreshment. The cheque may please be drawn in the name of 'Ahmedabad Management Association.'
