

**Programme on
Introduction to
Total Productive Maintenance (TPM)**

BATCH-23

Saturday, August 19, 2017 - 9.30 a.m. to 5.00 p.m.

Venue: Torrent-AMA Management Centre, Core-AMA Management House, ATIRA Campus, Dr. Vikram Sarabhai Marg, Ahmedabad-15

Programme Content: The Western World has just started with their new concept of Productive Maintenance, which is nothing but the technology – oriented sophistication of Preventive Maintenance. In this programme, we will bring out the comparison between TPM and Productive Maintenance and also explore why TPM has succeeded. Additionally, we will not merely cover the concept of TPM, but also discuss the detailed methods and techniques for implementing it in your organization. The programme will also include a brief background of the comprehensive Japanese Management system, which is a pre-requisite, for understanding the relevance of Japanese Management system to India and its practical implementability. It is only then that we can appreciate the true potential of TPM.

Appropriate Technology + an Attitude of Mind → TPM
(small resources) (or method of working) (or miracles)

1. Zero Defect! Is it possible or is it just a slogan?
2. Zero Unplanned Maintenance Downtime! Preclude the need to replace any mechanically wearing part – i.e. the ‘wear-life’ becomes infinite!

The link between (1) & (2)above, and TPM, will be clearly established in the programme.

Participants: This programme is essentially designed for **Maintenance and Production Personnel. It is also sincerely recommended for Executives from Personnel, Q.A.** The reason for this is that TPM originated from the needs and methods of ‘Zero Defects’ concept, and Total Employee Involvement (TEI). Therefore, for adopting the TPM methods, Personnel, Q.A. and Production have to work in tandem with Maintenance, to meet the required objectives of the optimum life cycle cost of a machine.

Faculty : **Mr. Arun Modi**, Management Consultant and Trainer, Over five decades of experience in Manufacturing & Quality. Mr. Modi is one of the leading management consultants in Operations Management.

Fees : Rs.1600/- per participant inclusive of Service Tax. (Concession for members 10%, patron members 20%). Fee includes course fee, cost of reading material, lunch and refreshments. The cheque may please be drawn in the name of ‘Ahmedabad Management Association.’ 10% concession for Engineering Students. (Please show your ID while registration)
