

## **AMA LEARNERS' FORUM**

---

In our century of gross uncertainty unprecedented volatility and dynamic stability where 'change' is the only stable entity, the only competitive advantage is **LEARNING FASTER THAN YOUR COMPETITORS.**

Learners' Forum is an AMA initiative to craft a group of learners willing to learn together with the help of an experienced facilitator.

**Mr. B.N. Dastoor**, an award winning columnist, management consultant and author of over 100 books has kindly consented to be the facilitator to start with the Forum.
