

Workshop for Teachers and Parents on
Discover Your Child's Learning Style
Saturday, July 15, 2017 • 9.30 a.m. to 5.00 p.m.

Venue : Torrent -AMA Management Centre, Core-AMA Management House,
Dr. Vikram Sarabhai Marg, AMA Complex, ATIRA Campus, Ahmedabad 380 015

It has been widely accepted that not all children learn alike. Some grasp information best by reading, while others learn better through listening or discovering concepts in a hands-on fashion. There are actually five aspects to a student's learning style beyond the simple modes of visual, auditory, or kinesthetic.

Discover Your Child's Learning Style shows you how to assess and nurture your child's individual learning potential based on his or her talents, interests, disposition, preferred environment, and more. This program will guide you to a better understanding of your child's unique strengths and weaknesses, goals and interests. You'll discover how to create the right atmosphere for learning and help your child excel in study as well as in life.
