Rakanpur, Taluka: Kalol, Dist. Gandhinagar 382 721)

Every employee is at his workplace for as much as 1/3 of available time. The health of an organization depends on the passion and enthusiasm that every employee brings to his or her workstation.

Unless there is an environment of friendships joy and happiness in the work, keeping passionate and enthusiastic people is impossible.

This unique programme is carefully designed to bring cultural and structural changes in the organization that will attract and retain talented people and motivate them to give their very best to the organization.

Faculty : **Mr. B.N. Dastoor**, Management Educator

Fee : Rs.300/- per participant. Fee includes course fee, cost of course material and refreshments.
