All the Participants who have gone through the entire Series would share their experiences in the form of formal Presentations. They would even communicate how they have implemented their learning from this Series in their Professional lives as well as at the Personal fronts. The follow-up inputs would also be provided on the same day, for them to carry on the light for the time to come.

Methodology: Discussions, Exercises, Video Films, Case Studies, Presentations, Management Games, Role Plays, etc.

At the end of the Training Series, each participant would be required to prepare an action plan and make a presentation in terms of how this Series has helped him / her in becoming a better business leader. These Presentations would be organized at the end of the Training Series.

- Each participant will have to attend the entire Series fully (proxy would not be allowed).
- A special Training Material Kit would be provided to each participant.
- A “Certificate of Honour” would be provided at the end of the Series.
- Batch Size would be restricted to 30 participants (on a first-cum-first-served basis).
- Languages to be used : English + Hindi + Gujarati (at times).

Who Should Attend ?

All levels of Executives, Officers and Managers from different functions. This informative programme will enhance both professional and personal excellence, through a mixture of powerful techniques and proven methods.

It can certainly help Businessmen, Entrepreneurs, Industrialists, etc ...who want to move ahead and create a niche for themselves.

In addition, this Series could also be of immense help to the Management Students, who are gearing up for work in the practical world.
